Dear Parishioners

NEW CENSUS FORMS 2020

I pray that the Lord is keeping you strong in both body and soul.

The Archdiocese of Durban has installed in all parishes a registration program called "Diolync".

It is therefore especially important that you complete the **new Census Form** attached. This form must please be completed by every single parishioner – **both new parishioners as well as those in the parish for many years**. Without capturing your updated information accurately in this way, the parish **cannot run smoothly!** Please also be assured your information is kept confidential.

Whilst in lockdown we could communicate only with less than half our parishioners. Why? Either because the person had not previously completed a census form at all or because the person had not notified the parish of a change in his/her address/email/cell phone number.

The Archdiocese of Durban has also recently installed a **new bulk SMS system**. This is an easy and economical way to communicate with you – If we have your **correct cell number!**

To complete your census form will take you just a few minutes – yet it means so much for the smooth running of our parish.

You can return your completed census form in one of three ways:-

1. Scan and email it to cynthia@stmichaelsparish.co.za
2. Place it in the collection box at Mass
3. Drop it off at the parish office.

Thank you for your co-operation.

May St. Michael's grow from strength to strength through our collective commitment and through the grace of God!

Yours sincerely

Fr Julian
Parish Priest
